PLEADING CYCLE ESTABLISHED FOR COMMENTS ON BELL SOUTH'S PETITION FOR FORBEARANCE FROM APPLICATION OF SECTION 271

WC Docket No. 04-48

Comments Due: March 15, 2004
Reply Comments Due: March 22, 2004

On March 1, 2004, BellSouth Telecommunications, Inc. (BellSouth) filed a petition pursuant to section 10 of the Communications Act of 1934, as amended,¹ requesting that, to the extent the Commission determines section 271(c)(2)(B) imposes the same unbundling obligations on Bell Operating Companies (BOCs) as established by section 251(c), the Commission should forbear from applying such unbundling obligations to broadband elements.² BellSouth argues that incumbent LECs should have no stand-alone unbundling obligations for broadband network elements that no longer meet the section 251(d)(2) impair standard.³ We note that BellSouth's request is virtually identical to the request Verizon filed on October 24, 2003, which the Commission placed on Public Notice on October 27, 2003.⁴

This Public Notice establishes certain procedural requirements relating to consideration of BellSouth's Petition. This matter shall be treated as a "permit-but-disclose" proceeding in accordance with the Commission's *ex parte* rules. See 47 C.F.R. §§ 1.1200, 1.1206. Persons making oral *ex parte* presentations are reminded that memoranda summarizing the presentations must contain summaries of the substance of the presentations and not merely a listing of the subjects discussed. More than a one or two sentence description of the views and arguments
